

DEEPACT FAQ

Clarifications about the DEEPACT Call should be sent to deepact@linksfoundation.com up to the fifth day before each cut-off date and will be answered (FAQ) anonymously in this document.

Q: Are only Italian legal entities eligible for the DEEPACT Programme?

A: No. There are no a-priori geographical limitations for legal entities eligible for the DEEPACT Programme.

A non-Italian legal entity can apply for DEEPACT provided that

- 1) it meets the eligibility conditions for the EIC Accelerator Programme in 2025 set out in the EIC Work Programme;
- 2) it has entered the extended innovation ecosystem in which LINKS operates from 2019 to the present (the detailed definition of such innovation ecosystem can be found in the DEEPACT call for expressions of interest).

Q: What information shall include the cover letter of the DEEPACT short proposal mentioned in the Annex A?

A: The cover letter should only contain the date and signature of the Legal Representative of the DEEPACT applicant company. This is a formal requirement to ensure that the application to the DEEPACT call for Expression of Interest was sent on behalf of the company.
